

PHYSICIAN'S LETTER

As part of your *Creating Miracles Grant* application, you must provide a letter from a physician treating you for your fertility issues that details your recommended course of treatment and likelihood of success. This letter **must** include the following information at a minimum:

- FSH Level
- History of Pregnancies
- Sperm Count
- Status of Fallopian Tubes
- History of Lupus, if any
- Number of IVF cycles completed

This letter should be on your physician's letterhead, signed by your physician and dated within sixty (60) days of submittal of your grant application.
