Angels of Hope, Inc., NFP, was created in 2005 to serve as beacons of hope for anyone dealing with the emotional or physical absence of a child. In October 2006, we successfully completed and dedicated our first project, the Angel of Hope Memorial Garden, to the Village of Coal City. The garden, located in Campbell Memorial Park, offers bereaved families a special place to honor, recognize and remember the loss of their beloved children. Every December 6<sup>th</sup>, we sponsor a candlelight remembrance vigil where families are invited to leave a white flower at the base of the Angel of Hope statue in memory of their children. Additionally, we offer two grants: The Everlasting Footprints Grant, which offers financial assistance to families for the loss of a child birth to age 3, and the Creating Miracles Grant which provides financial assistance to married couples experiencing infertility issues. Angels of Hope, Inc., NFP, is the first organization in the state of Illinois to offer this type of fertility grant and, to date, six babies have been born as a result of this program! Lastly, our Sawyer's Heart Project provides memory boxes to bereaved families who have experienced the loss of an infant. The memory boxes, filled with booties, hats, sleepers, candles, picture frames, and disposable cameras and more, provide tangible memories and keepsake items and offer closure to bereaved parents.
